Fun N Sun Notes: Shirley was a long-time Winter Texas at Fun N Sun. She and her husband Charlie enjoyed playing cards and Bingo and were members of the Computer Club and just all around active Fun N Sunners. Shirley was known for having a sharp eye for spotting and identifying different bird species. As Charlie's scribe, she would start the minute they left on a birding venture and identify 6 to 10+ sightings from their car before they even reached the birding destination.
