

**Muriel Lowell (nee Hebden)** passed away peacefully on Sunday October 16, 2016 in Markham, Ontario.

Loving wife, sister, mother, grandmother and great-grandmother, Muriel led a long and enjoyable life of 90 years.

Together with her soulmate Ted, who passed almost exactly two years earlier, they formed and cherished family, friends, work, homes, cottage, an active retirement and travel. Muriel now joins husband Charles Edward Hudson (Ted) Lowell, brother Donald Hebden, sisters Joan Maxwell and Mary Ingram (Ed). Survived by brother Jack Hebden (Helen) and sister-in-law Ruby.

Loving mother of Nancy Dyck (James) and sons Brad (Susan), Randy (Doris) and Scott (Cathie). Grandmother to Lauren (Wade), Amy, Gillian, Adrian, Alex, Alycia (George), Kyrsten and Stephanie. Great-grandmother to Ever and Phoenix.

Together since the age of 16, Muriel and Ted grew up, met and married in Guelph. Subsequently they built their family and circle of friends through Stoney Creek, Kleinberg, Ridgetown, Grimsby, Magnetawan and finally Unionville-Markham. Muriel was retired from the Toronto Dominion Bank (Grimsby) where she delighted in the interaction with colleagues and customers alike. At home or cottage there was always a project underway, another garden being dug or in the

quieter moments a book and the occasional glass of sherry in hand. From 2008 to 2014, Muriel and Ted wintered in south Texas at Fun N Sun, Hibiscus 229. She is remembered for her quiet ways and wonderful baking.

Despite our loss, we are very thankful that once again they are enjoying their coffees in the sun together.

Donations are welcome to the Markham Stouffville Hospital Foundation or the charity of your choice.
